

Edible Education Experience operating the Emeril Lagasse Foundation Kitchen House & Culinary Garden.

From CharacterTowns.org...envision such an amazing activity in the heart of an established neighborhood: talk about adding character, not to mention education and culinary delights.

Empowering Students And Their Communities Through Seed-To-Table Experiences

Our vision is food confident communities with life-skills to embrace wholeness.

“Nestled in a residential neighborhood of one of Orlando’s most vibrant communities, the Emeril Lagasse Foundation Kitchen House and Culinary Garden stands as a place of education and inspiration.

“Our team of educators is eager to bring you to a deeper understanding and appreciation of the fascinating journey our food takes from seed to table.

“Come join us and allow us to build your confidence in your approach to food.

“Allow us to equip you with practical life skills that will make your own experiences with food more satisfying.

“Kitchens and gardens bring a sense of connectedness and wholeness to our lives.

“LET OUR KITCHEN HOUSE AND CULINARY GARDEN INSPIRE YOU.”
